## U-Go Access – Razor Deck 3.6m

The U-Go Raza Deck offers a stable work platform at three useful heights assisted into position by internal tensioning springs and external gas struts designed to power it's ascent and control it's decent smoothly and effortlessly.

There are limited loose components with the U-Go Raza Deck to ensure parts do not go missing. The failsafe, 1-piece design calls for minimal training. The unit unfolds from a compact easily manoeuvred base and simply locks into place at the desired heights. Adjustable outriggers provide additional stability and the ample deck provides space and support for two operatives and tools.
