

- 1/2" - 2" threading machine
- Heavy Duty (2 3/4 HP, 115 V, AC/DC, 50/60 Hz) 6-brush motor with forward and reverse.
- Easy to service, very reliable workhorse
- 72 RPM Spindle Speed (no load)
- Precision pipe cutter with dual guide for accurate pipe cutting
- 5 blade conical reamer
- Long operating life
- HSS precision dies with optimum cutting geometry and excellent chip discharge.
- Collins SUPER GRIP chucking system. R/L chucking
- 4 double chucks at both front and rear of machine
- Pipe is automatically gripped and centered
- The grip is absolutely non-slip
- Chuck jaws are easy to replace for both metal and plastic coated pipe
- Rugged and proven oil pump
- Automatic oil feed for optimum cooling
- Large, easy-to-empty chip tray
- 1 gallon threading oil reservoir
- 2 Snap-O-Matic die heads are included (fast operating)
- All controls are clearly marked
- Automatically adjusted thread length
- Adjustable thread depth
- Threading range: Pipe or conduit - 1/8" to 2"; Bolt or rod - 1/4" to 2 1/4"
- Safety foot switch
