

## DC-SE (110 V) complete

### Technical Data

Input power	1700 W
Rated current	16 A
Width of Cut	45 mm
Rated voltage	110 V
No Load Speed	7500 rpm
Frequency	50/60 Hz
Supply Cord Length	5 m
Package content	Contains clamping flange, clamping nut, clamping wrench, distance ri (mm), break-out tool, protective glasses, safety precautions and oper: Supplied in a professional plastic toolbox.
Package Quantity	1
Maximum Blade Diameter	125 mm
